**Sipi ng Pagsasanay sa Pagkatuto**  
**Regalo Kay Lola (Magalang na Pananalita)**

**I. Panuto:** Sagutin ang mga sumusunod.

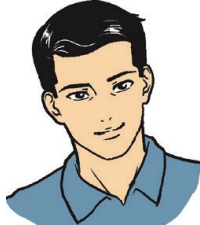

1. Para kanino ang regalo?

|                                                                                   |                                                                                   |                                                                                     |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|  |  |  |
| a.                                                                                | b.                                                                                | c.                                                                                  |

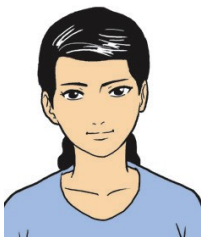

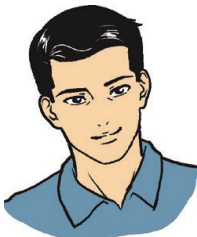

2. Ano ang regalang inihanda ng magkapatid?

|                                                                                    |                                                                                    |                                                                                      |
|------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
|  |  |  |
| a.                                                                                 | b.                                                                                 | c.                                                                                   |

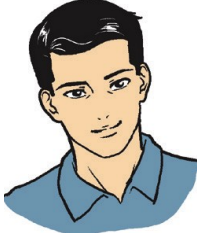

3. Sino ang nakaisip ng ibibigay na regalo?

|                                                                                     |                                                                                     |                                                                                       |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
|  |  |  |
| a.                                                                                  | b.                                                                                  | c.                                                                                    |

4. Sino ang inaasahan nilang tutulong gumawa ng kard?

|                                                                                     |                                                                                     |                                                                                       |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
|  |  |  |
| a.                                                                                  | b.                                                                                  | c.                                                                                    |

5. Sino ang pakikiusapan nilang bumili ng libro?

|                                                                                   |                                                                                   |                                                                                     |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|  |  |  |
| a.                                                                                | b.                                                                                | c.                                                                                  |

II. Panuto: Lagyan ng tsek (✓) ang magalang na pagpapahayag.
