Learning Activity Sheet
Importance of Animals and the Proper Ways of
Handling Them

A. Match the animal to its corresponding benefit. Write the correct letter in the blank provided.

- | | |
|------------------|------------------------------------|
| _____ 1. horse | a. medicine |
| _____ 2. dolphin | b. used for recreational activity |
| _____ 3. chicken | c. gives clothing |
| _____ 4. sheep | d. used as means of transportation |
| _____ 5. cow | e. gives meat and eggs |

B. Put a check mark (✓) if the statement below shows a proper way of handling animals or a safety measure against harmful and dangerous animals. Otherwise, leave it blank.

- _____ 1. Feed and bathe your pet regularly.
- _____ 2. Take your pets to the veterinarian only if needed.
- _____ 3. Avoid getting near dangerous animals when visiting a zoo.
- _____ 4. Cats and dogs must never be disturbed when sleeping or eating.
- _____ 5. Never provoke carabaos, horses, goats, and other tame animals.

- _____ 6. Dangerous animals should not be placed in a cage so they can roam freely.
- _____ 7. When someone is bitten by a dog, wash the wound thoroughly with soap and water.
- _____ 8. Never disturb bees and wasps in their nests for they will run after you and they will sting you.
- _____ 9. Place a screen over your doors and windows to protect you from mosquitoes and other harmful insects.
- _____ 10. When accidentally bitten by a snake, ask someone to tie a bandage around the bitten part of the body and go to the hospital for immediate treatment.
