Learning Activity Sheet

A Literary Influence from the Future

A. Arrange the following steps in writing a simple paragraph from A to E. Put A as the first step and E as the last step in the space provided before each number.

- _____ 1. Write a closing sentence by restating the topic sentence in a different way.
- _____ 2. Develop the body of the paragraph by adding some supporting details.
- _____ 3. Choose an interesting and relevant topic or a subject matter to write on.
- _____ 4. Create a topic sentence that contains the main idea of the paragraph.
- _____ 5. Observe unity and coherence in the sentences of the paragraph.

B. Write a story of a folk narrative you have heard from your elders in the present time that you wanted to pass down to your future grandchildren. Follow the given steps to guide you in your writing.

1. Choose the type of folk narrative you want to retell and write on about:

- a. myth
- b. fable
- c. folktale
- d. legend

2. Write down the topic sentence you have chosen from #1. Note that this sentence is the topic that you will say something about.

3. You will now develop the body of your paragraph. Write at least three sentences to support your topic. Your first sentence is the part of your topic that stands out. Observe unity and coherence in your sentences.

Supporting details 1:

Supporting details 2:

Supporting details 3:

4. Finally, write your closing sentence. This sentence will remind your audience what they are reading about. You can do this by restating your topic sentence in a different way. Make sure that your closing sentence must keep your audience thinking.
