

Name: _____

Date Started: _____ Date Completed: _____ Score: _____

Learning Activity Sheet
Using Word Association and Classification to Get the Meaning of Words

A. Make a word web for the word *ring*. Write at least six words associated with it.

B. Write the name of the missing item that would best complete the category of all the given words in each row. Then write what kind of group they belong to. The first item is done for you as an example.

Sampaguita	gumamela	<u>santan</u>
------------	----------	---------------

Category: flowers

tilapia	bangus	_____
---------	--------	-------

Category: _____

polo	T-shirt	_____
------	---------	-------

Category: _____
