**Learning Activity Sheet**  
**Identifying a Paragraph and Its Parts**

**A. Answer the following questions in complete sentences.**

1. What is a paragraph?

\_\_\_\_\_

2. What are the parts of a paragraph? Briefly explain each part.

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**B. The sentences in the given paragraph are numbered. Read the questions that follow. Write the sentence number as the answer to each given question.**

1A Filipino registered nurse, Denver Chicano, came up with the idea of developing a wound patch specifically for diabetic patients. 2His personal experience as a nurse at the burn unit at the hospital, where he works, motivated him to develop such a product that will help patients with wounds to heal faster and better. 3Because of the problems that accompany the disease—diabetes, wound healing is difficult. 4Chicano's invention prevents infection, especially for diabetic wound complications. 5This new invention definitely gives hope to many diabetic patients.

1. What is the topic sentence of the paragraph? \_\_\_\_\_

2. What are the supporting details? \_\_\_\_\_

3. What is the concluding sentence of the paragraph? \_\_\_\_\_

**C. Arrange the given sentences by identifying the topic sentence, the supporting details, and the concluding sentence. Write the arranged sentences in one whole paragraph.**

In conclusion, Filipinos are blessed to have such a beautiful country.

First, it is surrounded by the Pacific Ocean and the China Sea, which serve as a perfect destination for both land and water activities.

The Philippines is a great place not only because of its tropical climate but also because of its natural wonders.

Also, the mountains are rich in vegetation, rare birds and animals, and unique plants.
