CLIMATE CHANGE PREVENTION

SIMPLE STEPS WITH HUGE IMPACT

CONSERVE WATER.
NOT USING IT? TURN IT OFF!

Conserving water reduces water shortage and helps other services like hospitals, gas stations, street cleaners, and other services in our community.

REDUCE YOUR WASTE.
MAKE IT A HABIT TO RECYCLE TOO.

Before you throw something away, think about whether all or a part of it could be recycled.

SAVE AND MAXIMIZE ENERGY.
USE ENERGY-SAVING APPLIANCES.

This will definitely reduce your home's total electric bills!

WALK AND TRAVEL GREEN.
LESS POLLUTION, MORE BENEFITS.

We can go green by using products that are sustainable and environment friendly.

STAND UP AND GET INVOLVED.
VOICE YOUR CONCERNS.

It's okay to talk about what's happening to our Mother Earth. Remember that what we do today affects our future of this planet, our home.
