\_\_\_\_\_

#### II. Fill in the blanks with the correct answer.

1. A list of sources of information is called \_\_\_\_\_.
2. A comment or reference found at the bottom of a page is a \_\_\_\_\_.
3. The style which requires the combined inclusion of signal phrases and parenthetical references is \_\_\_\_\_.
4. \_\_\_\_\_ refers to the rules and conventions established by the American Psychological Association for documenting sources used in a research paper.
5. \_\_\_\_\_ acknowledges the work of others in your text, made through the use of both signal phrases and parenthetical references. This is done by starting with a signal phrase that includes the author's name and a parenthetical reference that shows the relevant page number(s).
