Learning Activity Sheet
Techniques in Public Speaking

I. Write T if the statement is true and F if it is false.

- _____ 1. Performing alone is always a better way to rehearse your material.
- _____ 2. Situations such as volunteering to speak at team meetings or joining speech that require public speaking clubs will improve your communication.
- _____ 4. Minimizing or controlling your mannerisms for a performance is just a waste of time since they are natural to a person.
- _____ 3. It is important to use powerful and effective words to convey your message clearly in order to inform/entertain/persuade the audience.
- _____ 5. Familiarize yourself with the coverage, content, and flow of your speech or presentation to avoid unnecessary mistakes or blunders during the actual delivery.

II. Explain the importance of applying the techniques in actual public speaking in a minimum of five sentences.

Write your explanation in the space provided.
