Learning Activity Sheet

Disaster Preparedness: Earthquakes, Tsunamis, and Volcanic Eruptions

A. Write **T** if the statement about disaster preparedness during earthquakes, tsunamis, and volcanic eruptions is true or **F** if false.

- ____ 1. Blame the government.
- ____ 2. Post everything on social media.
- ____ 3. Prepare masks to cover nose and mouth for the ash fall of the volcano.
- ____ 4. Help people who require special assistance, such as infants, children, the elderly, or the disabled.
- ____ 5. When in your house, clean everything and check if there are damages incurred. Use masks when cleaning.

B. Based on the question, complete the table below.

What will you do if you experience these natural disasters

Disaster	Before	During	After
1. Earthquake			
2. Tsunamis			
3. Volcanic Eruptions
