Learning Activity Sheet
Short Story

A. Base on the short story “Footnote to Youth” by Jose Garcia Villa, read and answer the questions carefully. Use the details you note during our discussion. Write your answer on the space provided.

1. Who are involved in the story?

2. Where did the story happen? Is it in a rural or urban area?

3. When was the story written? What period?

4. Does it take place in the past, present, or future? How do you know?

5. What is the most important event or significant moment?

6. How are the events arranged? Is it chronological, or the events move around?

7. Why is Dodong, the main character, restless or uneasy?

8. What major decision did he make?

9. What is the result of that decision? How did it affect his life later on when he himself has become a father?

10. What central idea or insight about parenthood is the writer trying to convey?
