The Filipino Spirit

by Cherubim

Have you been to the beautiful Philippines?

Where people exude happiness even in times of need,

Who believe that cheerfulness will calm their hearts,

And believe that amidst the storm, there's still sunshine?

Have you been to the beautiful Philippines?

Where love definitely resides, persistence lives, resilience survives,

Because its people celebrate who they truly are

And believe that each one is a blessing—truly from up above!
