Learning Activity Sheet
Using Appropriate Modals to Compose Clear Sentences

A. Write the modal that best completes each sentence. Choose from the options inside the box.

could must will can should would

1. _____ you hand me my bag?
2. Lola promised that she _____ take us to the park this afternoon.
3. When I was a child, I _____ climb trees and fly kites.
4. Singing and dancing are some of my abilities, which I _____ do confidently.
5. We _____ be lost in this forest because we have going around the sameplace for more than an hour now.

B. Analyze the given sentences that answers the question “Who is knocking at the door?” to see how a modal changes the meaning of a sentence. Determine the use of modals in the column B.

“Who is knocking at the door?”	
A	B
Could it be lolo or tito?	
It might be tatay.	
It should be someone we know.	
Could someone open the door?	
It must be tatay.
